

My experiences, my rights: Health and wellbeing project

Survey questions

Taking part in a focus group

We will ask you some questions in the next few pages.

Before we start it is very important that you read the **Focus Group Information Booklet**.

The booklet will give you the information you need to know before you answer the questions.

We can give you a copy of this booklet.

You can also this booklet at this website:

www.donaldbeasley.org.nz/projects/disabled-person-led-monitoring-of-the-uncrpd/

It is ok to ask someone to help you to fill in the questions in this booklet.

This can be someone you trust like a:

- family member
- friend
- support person

Tell us about yourself

.....

Focus group questions

Focus group question 1

What health and wellbeing rights things would you like us to research?

To help you answer this question think about:

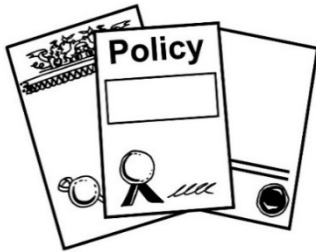

- things that worry you about your healthcare services
- any bad things that have happened when you have used your healthcare services.

Focus group question 2

Which of the following things would you like us to research?

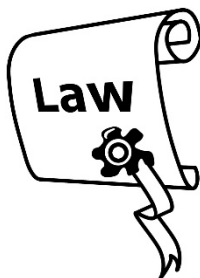

You can tick more than 1 box.

Public health policies

Legislation

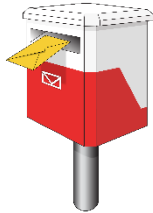

the way health services are
run

Policies and **legislation** are rules made by the Government.

Health services must follow these rules.

Do you want us to send you more information about our research?

We can send you information to tell you how our research is going.

We can also let you know if there are other things that we are doing.

You might like to take part in some of these things.

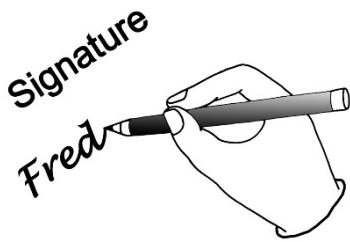

Would you like to be sent information about our research?

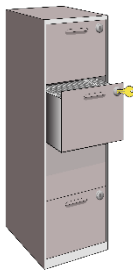

Yes

No

If you answered yes please read and sign this form on the next page.

I understand that my contact details will be kept in a different place from my survey answers:

Yes

No

Please write down your answers on each line.
